DETAILED ACTION

Allowable Subject Matter

1. Claims 13, and 15-24 are allowed.
2. The following is an examiner's statement of reasons for allowance: Applicants claim a mode determining apparatus comprising an average LSP parameter calculator that calculates an average quantized LSP parameter of a received input speech signal, in a period in which a quantized LSP parameter is stationary, a difference calculator that calculates difference differences between order components of the average quantized LSP parameter and corresponding order components of a quantized LSP parameter in a current frame, respectively, and, a first mode determiner that determines that the frame indicates a speech mode when a difference greater than a predetermined level is calculated between at least one pair of order components. The cited prior art alone or in combination teaches the claimed combination of features.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
